US Total Reward at a Glance

Important Note

The information in this document is intended to provide you with an overview of some of the features and components of the Total Reward programs at GSK. Every effort has been made to ensure the accuracy of the contents. However, in the unlikely event of a discrepancy between the various plan summaries contained in this document and the provisions of the actual plan documents governing all aspects of these plans, the language and the provisions of the actual plan documents will prevail. Employment at GSK is an “at will” arrangement—nothing in this document should be construed as a contract of employment. The Company reserves the right to amend or terminate its policies and/or benefit plans at any time, with or without notice.
